

D. Barlow Clark-Schoeb

Environmental Design & Sustainable Cities

San Francisco, CA · Connecticut & California · (908) 666-2847 · dbarlow2004@gmail.com

● Summer 2026

Workspace Design & Operations Associate

ENDIATX — Hayward, CA

- Planned and executed renovations and spatial reorganization for the office and warehouse spaces of a robotics and medical device company.
- Interviewed employees across departments to understand workflow patterns, operational needs, and accessibility priorities.
- Developed layouts and designated zones for collaborative office space, packaging and storage, media production, and prototyping/fabrication areas.
- Coordinated with leadership, electricians, and engineering teams on infrastructure improvements and HVAC planning.
- Completed hands-on renovation work including measuring, framing walls, drywall installation, painting, finishing, and door installation.
- Sourced materials, secondhand furniture, and organizational systems to create sustainability-minded workplace environments.
- Managed intern communication, scheduling, and summer programming initiatives.

● Spring 2026

Environmental Reporting Intern

The Active Voice — Connecticut

- Conducted research and reporting on sustainability, climate policy, and environmental issues.
- Assisted with legislative testimony drafts and sustainability-focused communications.
- Collaborated with leadership on environmental storytelling and public engagement initiatives.

● Winter 2024 – 2026

Social Media & Operations Assistant

Babka Bailout — New York, NY

- Managed social media content creation including TikTok and promotional campaigns.
- Assisted with packaging, customer engagement, and operational logistics.
- Supported brand growth through visual storytelling and customer experience.
